CONNECTING PARENTS WITH OPPORTUNITIES

## PROGRAM NOTICE

APRIL 2008

Dear Friends and Colleagues:

As we notice the days getting longer and sunnier, the program offerings at ParentJobNet have also never looked brighter. We are beginning classes in April to respond to the demand for Computer Training and additional workshops to help parents find work or enhance their careers. There are also classes underway for GED, ESL, and Spanish.

PS 242 will be hosting Computer Classes for parents interested in learning Word, Excel, and PowerPoint. Classes will begin on April 7 and will be held on Monday evenings for six weeks from 6:00-8:00PM. PS 242 is located at 134 West 122 Street. Register at [www.parentjobnet.org/ComputerTrainingRegistrationForm.html](http://www.parentjobnet.org/ComputerTrainingRegistrationForm.html) or with Nancy Pereira at 212-678-2908 Ext. 111.

We are excited to introduce PS 154 as a new hosting school for workshops on How to Prepare for a Successful Job Search. This class will take place on Monday and Tuesday mornings from 9:15 until 11:15, beginning on April 28, and will run for four weeks. Sessions will include skill assessments, resume writing, interviewing, and individualized job support. Once interviews are scheduled, appropriate clothing for the workplace will be provided free of charge.
